

# Donate Now

*Thank you for deciding to donate to Aussie Ark.*

Your donation will help Aussie Ark implement large-scale, practical conservation programs to provide a more secure future for our threatened animals and their habitats, before our unique wildlife is lost forever.

## Option 1 – Become a regular monthly donor

One of the most cost effective ways to support Aussie Ark is to become a regular monthly donor. All donations are tax deductible and go directly to where it is needed most. Over 90% Aussie Ark's total expenditure is incurred on our conservation programs with less than 10% on fundraising and administration combined. A tax deductible receipt will be forwarded to you at the end of each financial year.

## Option 2 – Make a single donation

If you cannot commit an ongoing donation right now, you can still make a single tax deductible donation of an amount of your choice.

A tax deductible receipts will be posted to you shortly after making your single donation.
